Dear

STAT

This is to inform you that when members of the Select Committee on Intelligence staff working group on recent political violence in El Salvador visited San Salvador September 17-18, Ambassador Pickering requested access to all the classified reports prepared by Committee staff on the various agencies within the scope of the study. (The Ambassador had already been provided a copy of the draft Executive Summary/Public Report which has also been provided to your agency.)

The working group coordinators agreed to make Ambassador Pickering's request known to the other agencies subject to investigation by the group. We would ask you to work directly with the Department of State with respect to the Ambassador's request, and would appreciate being kept informed of the status of this matter.

Sincerely,

Daniel P. Finn, Esq.  
Co-Coordinator  
Political Violence Working Group
